Delores Brown,
Chief Office of Environmental Compliance
California Department of Water Resources
P.O. Box 942836

Dear Ms. Brown,

I write today in regards to proposed Monterey amendments to the state water plan.
I urge you to oppose the following proposals.

1. Allowing private interests to take over the water bank.
2. Transferring costs associated to taxpayers but allowing rebates for large agencies.

I fell that opposition to these proposals is the best course of action to manage and maintain existing water supplies within the area.

Sincerely,
